FOREVER MUSTANGS

a message from your editors

I began my yearbook transformation at the McGlynn Middle School in sixth grade and continued on to become editor during my senior year of high school. It has been surreal that I have come this far. While brainstorming for theme ideas, the word transformation came up, and I knew it represented our class well. Remembering my own journey made me reflect on the class of 2018, seeing the transformation that the class and individuals themselves have gone through to get to this point. I have seen my peers grow into amazing athletes, artists, students, friends, and leaders. It has been a pleasure to be a part of such a wonderful and inspiring class. We have made a transformative impact and it is promising to know that such great individuals are still transforming themselves, and will make a unique footprint in the world. I would say that we have lived up to the task that Mr. Tucci gave us on the first day of freshman year, "Leave this school better than you found it." Thank you to everyone who has done just that.

-Yearbook Editor,
Mia McGillicuddy

As editors, we wanted to make this yearbook special. When brainstorming themes for the book, the idea of transformation seemed well fit for our senior class. From the minute we walked into freshman orientation, our transformation began- not only as individuals, but as a class. Collectively, we have made great strides to better ourselves, and the school. Over the course of the last four years, we have created friendships and memories that we will carry with us for the rest of our lives. Although our time at MHS is coming to an end, we will continue our transformations outside these walls. We hope that this yearbook will serve as a reminder of all the amazing memories and accomplishments that we have made during our time together.

Delaney Tivnan

Mr. Maldonado!

Mr. Maldonado,
You began teaching at MHS our sophomore year. Throughout the last few years, we have seen what a great person you are and how involved you have been in our community. You have done a great job coaching both the tennis and volleyball teams. You have positively impacted your students' lives through your teaching, coaching, and guidance. We know you are always there for us and eager to talk when we are going through a tough situation or having a bad day. You are always willing to assist in student activities and chaperone events such as dances and prom. Thank you for the jokes, the fun math classes, and the life lessons. The Class of 2018 is honored to dedicate our yearbook to you.

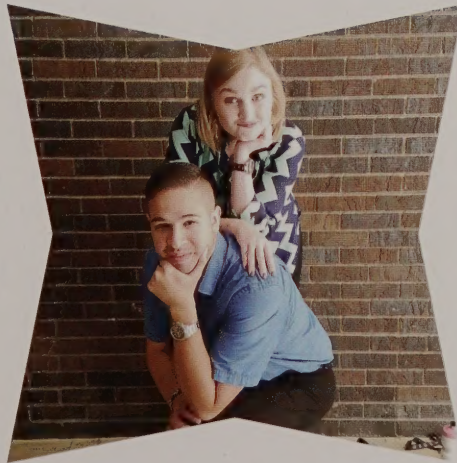

dedicated to...

Ms. Simpson!

Ms. Simpson,
You came to Medford High School only a few months after our arrival. We will always be grateful for how

you have helped many of us grow into the wonderful young adults we are today. Whether we were having a bad day and needed someone we trusted in to talk to, or a person to have a good laugh with, you were there for us. Besides being a great teacher and helping many of us improve in math, you were also able to be a friend, helping us navigate our way through this school. Thank you for being a constant role model in our lives. We love you!

Class of 2018 Advisers

The class of 2018 would like to thank Mr. Wilson and Ms. Sueltenfuss. These two dedicated teachers have facilitated the class officer meetings and helped the class to organize fundraisers. They have taken part in and have supported many school events, including dances, proms, and senior trips.

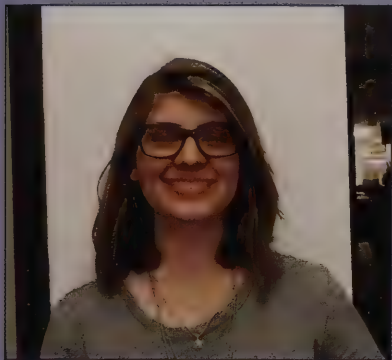

Ms. Sueltenfuss

Mr. Wilson

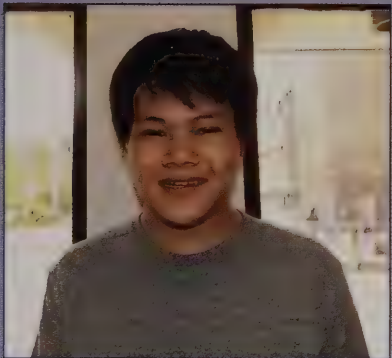

Ms. Sueltenfuss and Mr. Wilson are valued members of the Medford High staff and have positively affected many high school experiences. Students are greatly appreciative for all they have done, from planning the Winter Ball, the Prom, and other fun events.

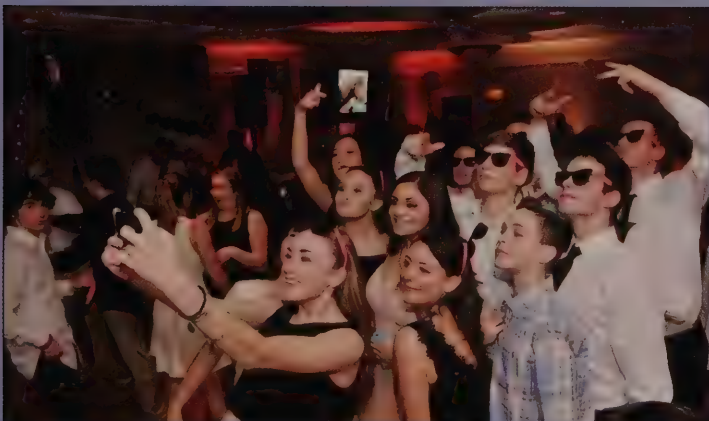

Mia McGillicuddy

"Thank you for everything you both have done for me and this class. It has been a pleasure to work alongside you both for three years and help give this class the best activities and fundraisers as possible. Student Government has been a big part in my high school career, and you both have made it such a positive experience."

Justin Tseng

"Ms. Sueltenfuss has been an incredible help in making sure everything runs smoothly for our class. Always hard working and dedicated, she has done so much behind the scenes. Her attention to detail, trust, and support is truly appreciated."

2018 Senior Class Officers

President
Samantha Liu

"I wanted to be President because I think it's important to have a leader whom you can trust, especially senior year, because they're going to be the person you fall back on - not only senior year, but for the rest of your life."

Vice President
Justin Tseng

"I decided to run for VP because I knew that I wanted to help our class and to speak up for our class. I truly believe that students can make a difference and that as a class, we can build the school we want to see together. Being VP is such a great honor, especially for the class that I know is definitely the best class. Our class is talented, diverse, smart, and strong, and I'm proud to be a part of it."

Treasurer
Mia McGillicuddy

"I am very grateful to my class for trusting me and voting for me over the past four years. I have had the pleasure of working with my peers as well as my other fellow officers through fundraising and class events. 2018 is an impressive class, and I am glad I have been able to represent them in student government."

Secretary
Emily Medeiros

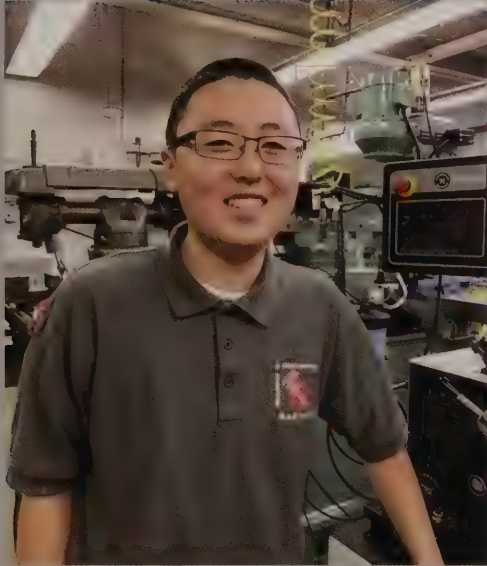

"I just want to thank the class of 2018 for allowing me to embrace our diversity and bring change to Medford High through student government. It has been a great four years and I am thankful for the opportunity to end our high school careers as one of the leaders for our class."

FALL

2017

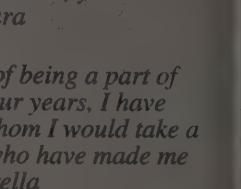

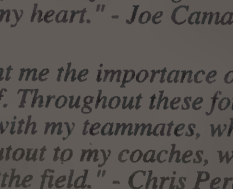

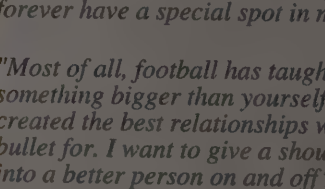

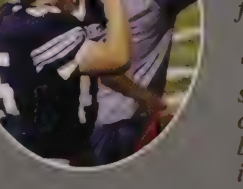

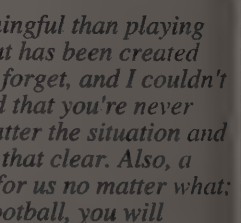

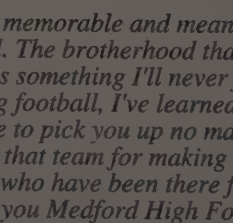

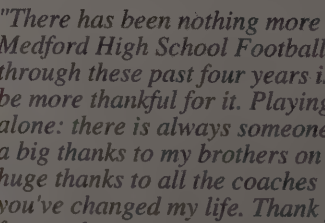

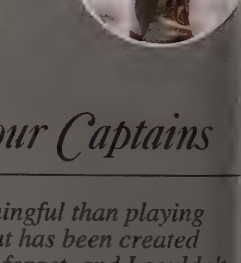

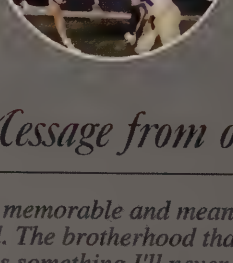

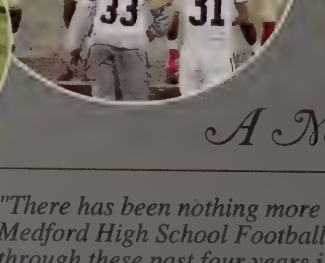

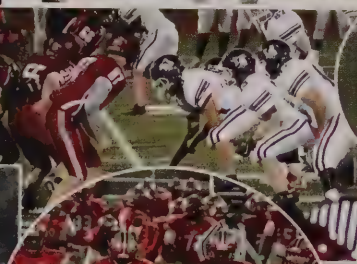

The fall of 2017 was a very special time for the senior class. It included their last first day of school, the senior trip to Kimball Farm, their last neon dance, and, for some, the last season they will play on a Medford High team.

HOME OPENER: MEDFORD 26, WINTHROP 8 September 15, 2017

"It was a great win for the program. It was awesome to see our guys bounce back and demonstrate mental toughness after a tough loss the previous week. It was a great all around effort from just about everyone. We had some major contributions from Ryan Burke, Joe Camara, Chris Perella, Jacob Morey, Vinny Tavanese, and Dave Antoine. Peterson D'Arut was all over the field making plays on offense, defense, and special teams; it was great to see. The Seniors did a great job leading everyone and making sure they maintained their focus." - Jason Nascimento

A Message from our Captains

"There has been nothing more memorable and meaningful than playing Medford High School Football. The brotherhood that has been created through these past four years is something I'll never forget, and I couldn't be more thankful for it. Playing football, I've learned that you're never alone: there is always someone to pick you up no matter the situation and a big thanks to my brothers on that team for making that clear. Also, a huge thanks to all the coaches who have been there for us no matter what: you've changed my life. Thank you Medford High Football, you will forever have a special spot in my heart." - Joe Camara

"Most of all, football has taught me the importance of being a part of something bigger than yourself. Throughout these four years, I have created the best relationships with my teammates, whom I would take a bullet for. I want to give a shoutout to my coaches, who have made me into a better person on and off the field." - Chris Perella

A message to our seniors

"The class of 2018 is the first group of cheerleaders I've had the pleasure of coaching freshman through senior year. I've watched them grow into remarkable young women that I know will all make their mark in this world. Their commitment and hard work shown through this sport will undoubtedly prepare them for their bright futures ahead. It's been my pleasure to grow beside them for the past four years, and I will always hold them close to my heart." - Coach Jacki Pugliese

"It's been a pleasure to coach such thoughtful, unique, and loving individuals such as yourselves. I wish you all the best moving forward. Just know that when life hits you in the face, or, in our case (flyers hitting you in the face), bounce back and grow from the experience. Turn your passion for cheerleading into your passion to live a better and more rewarding life. Love you ladies." - Coach Holly Sullivan

Pep Rally

November 22, 2017

Every pep rally is special, but this year even more so. We heard from our mayor, Stephanie Muccini-Burke, principal Dr. Perella, and all of the fall sport coaches. During the pep rally, the seniors were excited to find out that their graduation speaker was Senora Lepore. The marching band and color guard performed their *Tarzan* show, and the cheerleaders performed a fantastic routine.

Malden Wins

Thanksgiving Game

November 23, 2017
The 130th Thanksgiving Game between the Medford Mustangs and Malden Golden Tornadoes marked the second-longest running high school rivalry in the United States. Medford suffered a 13 point deficit early on, but the relentless Mustangs charged on.

STARS

Our boys' varsity soccer team made it to the second round of the MIAA state tournament.

They were surrounded by cheering Medford High School students during both rounds.

Boys' Varsity Soccer

Our boys' varsity soccer team plays in all weather conditions, including the first round of states, when it started to rain halfway through the game.

Joao:
"If I were to give advice to the freshmen, I would say play every game like it's your last game."

Four of our Medford High School boys' varsity seniors have played all four years of high school soccer with each other. Captains (left to right): Matt McCarthy, Joe Moreira, Igor de Sousa-Vieira, Joao Ferreira Russo

Igor de Sousa-Vieira:

"My best memory is during my sophomore year during the first round of playoffs. We were winning 2-0, but the other team came back and tied it up, bringing us to overtime and eventually penalty kicks. We ended up winning on the 7th penalty kick, which doesn't usually happen, and after all our fans stormed the field and celebrated together. It was my first playoff win and one of the best nights of my life."

Will Mucci-Riley:

"My favorite memory playing soccer at MHS was this one time that our coach was mad at us after the Jamboree and he made us run, followed by a scrimmage, and the team that we were scrimmaging against witnessed us running for about an hour, but we ended up beating them. It was just great playing with my brothers and I knew that they would always fight by my side."

Matt: "My favorite memory was during my sophomore year. We won three playoff games on penalty kicks, and the fans rushed to the field at our home stadium as well as our away stadium in Malden. Winning games on penalty kicks is like a roller coaster. One moment you're so nervous that your teammates are going to miss and the goalie is not going to save it, and the next moment you remember that you have this from all the hard work in practice. When we score, it's honestly the best feeling."

GIRLS' VARSITY SOCCER

Seniors and Coaches

Seniors' final thoughts:

Kiandra: "The reason why I play soccer is because it's a place where I can just get away from everything crazy that's going on. It's a place to be different, but it's okay to be different. This is what I like."

Niamh: "I've played soccer since a very early age, and it has always been a part of me. My favorite memory from soccer was not just playing but spending time with these girls and making lifelong friendships, younger grades and past grades."

Dora: "My favorite memory from playing soccer is freshman year, when I was welcomed on the varsity team by all the seniors. They were all rowdy and really welcoming every time we went into the locker room. It was a great experience!"

Lydia: "My advice to the younger generations is to not give up because the community that is built by soccer is life. You'll have a lot of fun."

Ariana: "I started playing soccer when I was younger and I just grew this passion for this sport. I get to be in an environment where I can be with my friends and have fun at the same time."

Fall Crew

"On behalf of Coach McCormick, Coach Diettrich, and myself, we would like to thank the graduating seniors on the rowing team for your hard work and dedication during your time with Medford Rowing. Your tireless efforts and commitment to the sport have not only helped you grow individually as athletes and as people, but have also helped to propel the team to greater accomplishments. Your time with the team has provided an excellent example of leadership for the freshmen, sophomores, and juniors as they continue with Medford Rowing. Your character and sportsmanship both on and off the water have helped to solidify Medford Rowing's reputation as a championship-caliber team that is humble in victory and gracious in defeat. I have told you all many times that your number one goal for your time with Medford Rowing should be to leave the team in a better place than you found it. You should all take great pride in knowing that you've done just that. Congratulations on graduating, and know that wherever you go, you will always have a home with Medford Rowing."

It's been a challenge going up against the top in the NEC, with Beverly, Danvers and Gloucester, among the top teams in the league, as well as the state. We need to improve in all aspects of golf," said Dyer. "It is a very difficult sport and the more we play the better the kids results, but they're learning sportsmanship and integrity no matter what our record is." (Hurley, Christopher. Girls' Varsity Volleyball

About the team

In the fall of 2017, the girls' varsity volleyball team had a great season filled with 11 victories and great sportsmanship all around. The girls dedicated themselves to the team and formed unbreakable bonds.

What the seniors brought to the team:

The seniors made the volleyball team a family. They brought laughter, experience, and joy. Everyone looked up to them because they are an amazing and talented group of young women. They brought the team together and made going to practices fun for everyone. The seniors supported each of the girls no matter what.

Cross Country

The girls' cross country team started strong in their first season in the Northeast Conference. Girls' cross country was the first fall sport to win in the Northeast Conference in their meet against Revere. They worked hard all season and consistently won, despite many injuries and illnesses. The underclassmen got together and held the first senior night in the team's history. With a core group of juniors, the team looks forward to a strong season next year.

It was an historic opening day for the Medford High baseball team at Playstead Park. Senior captain Jack Fargo pitched a complete game, no-hitter with 16 Ks. He also picked off the only base-runner he walked, caught a bunt for an out, and doubled-off a batter and runner on 1st he had previously hit by a pitch. That totals 20 of 21 possible outs made by a single player.

The Mustangs walked off in the bottom of the 7th, 1-0 over Gloucester, a better than perfect start to the season.

Varsity Softball

Jack Dempsey, head Varsity coach, predicts a great turnout for this year softball season. He believes that his team has a lot of potential and their many returning starters will make them very successful. "We should do well because we have strong hitting, pitching and defense," said Coach Dempsey. "Also, I like the balance of the hitting and base running. We have great leadership in our captains Halle Farrell, Kim Scanlon, and Samantha Melanson."

The Varsity team has also set goals for their upcoming season. "As far as goals that the team has, they want to be very competitive in the league and do very well in the state tournament," said Coach Dempsey. Coach has confidence in his three captains to rally up the team. "I look forward to my four year starter, Halle Farrell, who in my eyes is one of the premiere players in the state," he said. "Also, Captain Sam Melanson - not an overpowering pitcher, but she gets the job done with her versatile pitching that keeps us in the game. Kim Scanlon - her all round play, hitting, running and fielding."

The team has a lot of quality support from the other starters and the bench. It looks to be another great season!

Medford High's Spain Trip

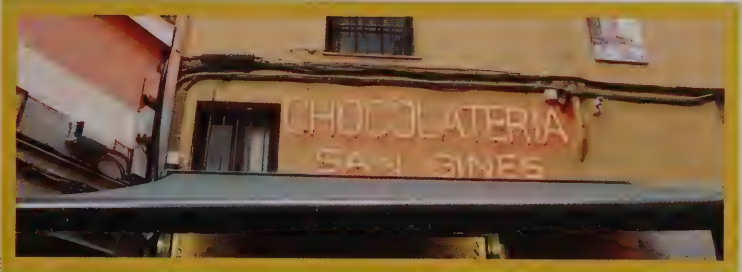

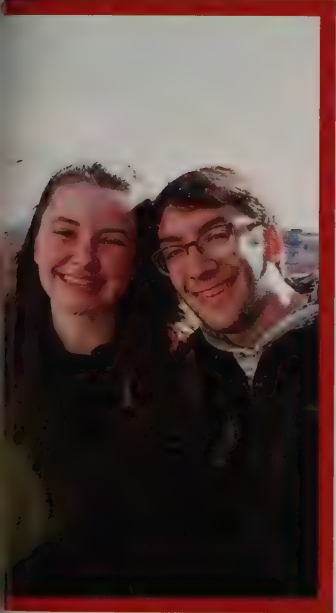

During February 2018, 14 students had the experience of a lifetime in Madrid and Barcelona! We will never forget churros and chocolate, a confar, the rooftop that was Steven Spielberg's inspiration, Dali, observing a painting through our cell phones, dancing in the streets, visiting Cinderella's castle in Segovia and the infamous Sagrada Familia. We even had fun going to school during vacation and made many new friends.

It was one of the best trips we've ever had! A special thanks to the best tour guide who took such great care of us while we were away from home and couldn't do enough for us. Our nuevo amigo, Michael LoPresti. Thank you for the memories, Señoritas Lepore and Bowler.

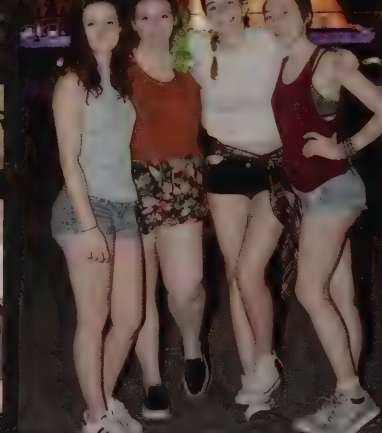

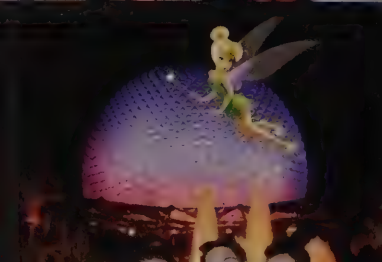

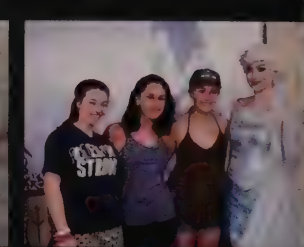

Seniors Leo Pancic, Laura Pladziewicz, and Sebastian Tringale came on the trip! We all had a wonderful and meaningful experience!

2018 Disney YES! Trip

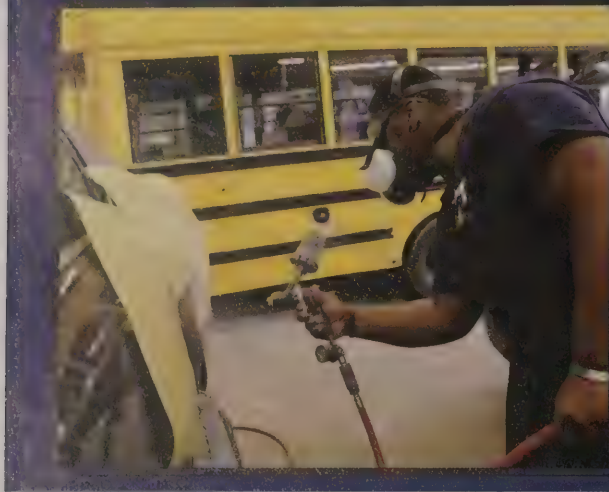

During February vacation, 26 seniors and juniors had the opportunity to travel to Walt Disney World in Florida to take part in Disney's Youth Education Series (Y.E.S.). There was a total of 3 classes, pertaining to animal conservation, wavelengths, and leadership skills. Each class took place in the morning, allowing the students to explore the parks for the rest of the day.

MHS WALKS OUT

March 21, 2018

In the wake of the Parkland shooting, there was a nationwide movement focused on school safety and gun control. 17 lives were lost. Thousands of schools across America organized walkouts to honor the people killed at Marjory Stoneman Douglas High. Medford High was no exception.

At 10 a.m. on March 21st, hundreds of students walked out of Medford High in a student organized protest. Those who choose to take part in the protest stood in 17 minutes of silence, to honor the 17 people killed in Parkland. As each minute passed, a drum was sounded, and at the end of the protest the 17 victims were named.

While the walkout was approved by the administration, it was entirely student led. Student organizer Matt Carroll, said, "This is the beginning but not the end. I'm so incredibly proud of what my classmates did and I hope efforts like this continue far into the future."

Winter Sports Tournaments

Boys Hockey

The Boys' Varsity Hockey team faced the Waltham Hawks at Chelmsford Forum on March 3rd in the second round of the MIAA hockey tournament. The game was hard fought and the 'Stangs played well all throughout the game, however they lost due to a two-goal deficit. Though the season ended earlier than expected, the end of the year banquet was a great way to highlight this year's successful 12-4-4 record. Coach Bates reminded us "not to hang our heads because it was a great season and he has all of our back in the future."

William Chouinard walked away with the team's MVP award, and Jack Lonergan and Cole Brennen were recognized as the best forwards. Gino Desimone earned the Best Defense-man Award, and Mike Nestor won the Most Improved Player Award.

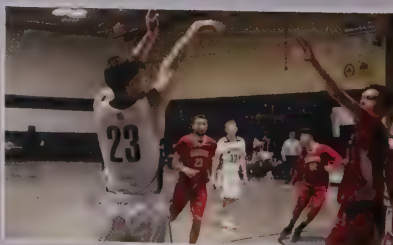

Boys and Girls Track

The track team sent their largest number of competitors to the MIAA Division II Championships than they had in many years. Representing the girls' track team were Aniya Crump, Youventha Raymond, Christle Legal, and Chrystie Clervil in the 4x2 relay. Joshua Walker, Tristen Howard, Samuel Aristide, Leonardo Bruce ran in the boys' 4x2 relay. Seniors Marcos Maciel and Katiah Scott finished their final seasons of indoor track by competing in the boys' one mile and the girls' high jump. Freshman Joshua Walker made his Division II Championship debut in the boys' long jump, and sophomore Tristen Howard ran a personal record time in the boys' 50 meter dash. Runners Marcos Maciel and Tristen Howard both moved onto running in the MIAA All State Championships.

Boys Basketball

The Mustangs boys' basketball team bowed out in the first round of the Division I basketball tournament to the Chelmsford Lions, 54-46. It was a stunning end to a stellar season. After starting the season 1-5, the Mustangs courted a huge turnaround, winning nine of their last fourteen games, finishing 10-10, and making their first tournament appearance since the 2013-2014 season. The Mustangs enjoyed huge wins over both Lynn Classical and Beverly, the top seeded team in Division II. In their loss to Chelmsford, the Mustangs were led by three seniors, Ben Ruemenapp with 12 points, Dom DeLuca with 10, and Jacob Whisler with 9. The Mustangs' fourth senior Vikram Bhamra also knocked down a late three. Junior captain Ryan Cafferky and Senior Ben Ruemenapp were both recognized as NEC All-Stars.

"I'm so proud of our team. We started the season 1-5, which was not ideal but the kids never panicked. They worked hard every day and trusted each other and the coaches. The state tournament game at Medford High was an amazing experience. The Mustang community came out in full force to show their support. Our fans brought energy for the entire game. We really appreciate their support. Although the game didn't work out the way we would have liked I told our team that they should be proud of what they accomplished and hold their heads high." -Coach Skerry

Mustang Mall Business and Marketing Program

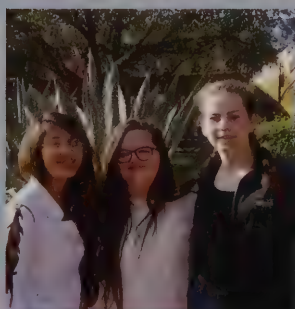

Without our graduating seniors, the Mustang Mall would not exist. They are the first class to graduate the Business and Marketing Program at Medford High School. These students built the Mustang Mall from conception and brought it to the success it is today. The community now has a place to purchase Medford-inspired attire and accessories, customized subway signs, and wooden roses for Valentine's Day. A special thanks to Alana, Rosalie, and Jason for all their hard work incorporating the Mustang Mall, and a special shout out to Alana for always keeping our store festive for each season and holiday! Good luck, seniors!

SPRING SPORTS

Special Mentions

SOFTBALL

The girls' softball team had a great run this year getting to the Division 1 North Semifinals. A tough loss against Newton North in the semifinals stopped them from moving on. Beyond this loss, the rest of the season "was a sensational run for Medford, going 16-3 during the regular season, while also leveling Lowell, 12-5, and thumping third-ranked Arlington, 5-2 in postseason play" (*Wicked Local*). Congratulations to the senior tri-captains Sam Melanson, Halle Farrell, and Kim Scanlon, as well as the rest of the talented seniors on the team including Kelsey Harris, Tess Mauro, and Summer Tufts. The entire team should be proud.

BASEBALL

The boys varsity team's impressive season came to an end after Lowell High School baseball took the win over Medford, 15-0, in the Division 1 North Semifinals. Even with the loss, the coach agreed that the entire team should be proud of themselves. Coach Nestor especially expressed his gratitude to all of the senior players on the team saying, "they were a lot of fun, they were great on the field and off the field. Great leaders in the community and to that you just want to tip your hat to them. They were unbelievable kids and a fun group. We've had them for a long time and they made us proud with the things they do." The team will feel a great loss next season with seven starters having graduated in the class of 2018.

BOYS' TENNIS

The team made great strides this season, which is even more impressive knowing that they started the season with a new coach. The team made it all the way to the MIAA Division 2 North State Tournament. This winning streak was in large part due to the work of the senior tri-captains Tripp Hill, Noah Periera, and Erik Lam leading the way. The successful season was based on a true team effort, however, with all members contributing. Coach Dyer said, "The Mustangs played great all season, the boys have been great, they're very dedicated and determined to improve. We have good depth. Hopefully we can stay healthy." We wish next year's team luck, and congratulations to all of the seniors who have graduated on a great last season.

BOYS' LACROSSE

The season came to a close for the Medford Boys' Lacrosse team when Chelmsford beat Medford, 14-3, in the Division 1 North Quarterfinals on June 9 at Simonian Field. With that loss, the Mustangs ended the year on an impressive 16-4 run. After such an incredible season, the team said goodbye to seven seniors at graduation. Coach Anthony Tortora still has high hopes looking ahead to next season. "We will miss the seniors but we have some of our leading scorers coming back," Tortora said. The seniors on the team should be proud of what they accomplished for their team this past season, as they have built a strong tradition for the Medford lacrosse program.

BISTRO 489

This year, the Culinary program students opened a new restaurant called *Bistro 489*. They got a brand new state-of-the-art kitchen, opening up more opportunities for the Culinary students.

DECA COMPETITION

This year, eight business and marketing students at MVTHS got to compete in the DECA (Distributive Education Clubs of America) tournament. The DECA tournament is for student leaders and focuses on entrepreneurs in marketing, finance, hospitality, and management. The students did extremely well, and senior Rosalie Howard got first place in the Entrepreneurship Innovation Plan category. Juniors Marcio Campos Neto and Hunter Tognarelli got first and second place in the Quick Serve Restaurant Marketing and Sports and Entertainment Marketing categories, respectively.

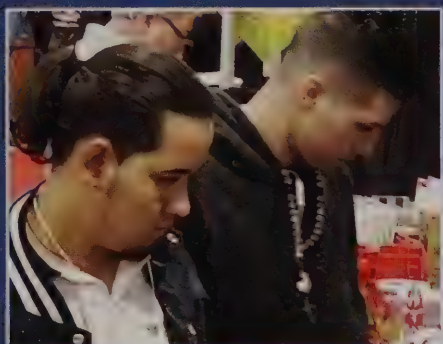

HISTORY DAY

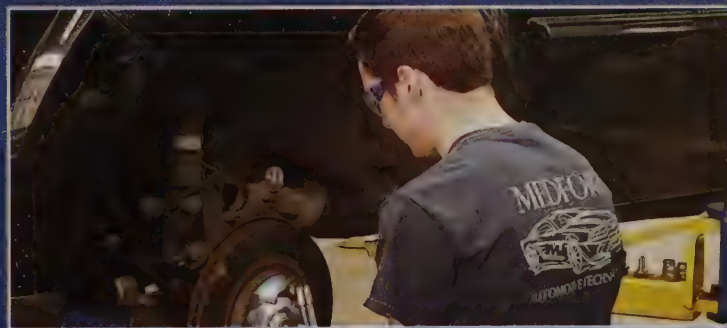

This year, Noah Kreatz came back to the school after graduating to celebrate History Day and display his collection of military artifacts. He is depicted here with his impressive collection and his grandparents.
